ABOUT CHÂTEAU MONTCABRIER

Château Montcabrier is a sélection parcellaire from Château Recougne, the Milhade family's estate on Bordeaux's right bank, where wine has been made for more than 400 years and by the Milhade family for four generations. Montcabrier comes from younger vines on marly clay, mostly Merlot with equal parts Cabernet Sauvignon and Cabernet Franc, farmed sustainably (HVE3) with low yields. Fermented in cement and aged twelve months without oak, it has silky texture and immediate appeal, ready on release and an approachable entry point into the Milhade family's wines.

THE WINE

The Bordeaux Supérieur from Château Montcabrier comes from the younger vines and parcels at Château Recougne, made in the same manner as the flagship wine but built for more forward, immediate pleasure. It is mostly Merlot with Cabernet Franc and Cabernet Sauvignon, grown on a clay and silicium mosaic plateau over a ferrous substrate on Bordeaux's right bank. Fermented in traditional cement vats and aged 12 months in large vessels without oak, it delivers a silky texture and approachable character that makes it an outstanding everyday claret.
