

TOMMASI

LE ROSSE PINOT GRIGIO 2023

DOC delle Venezie, Italy

ABOUT TOMMASI

Tommasi has proudly presided over Italy's Veneto region for over 120 years, with wines that are both renowned for their superior quality and consistently regarded as reference points for their respective appellations. As one of the single most influential producers in Italy, the winery is committed to sustainable practices and continues to craft each wine from 100% estate-owned vineyards.

THE WINE

This Valpolicella Pinot Grigio can be described as sitting between the richer, more concentrated Pinot Grigio from Friuli to the north, and racier styles from the Veneto at large. The nose is spicy with hints of tropical fruit, the flavors clean and crisp, and the body round and soft with a crisp finish.
